- (d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The amendment of the regulation is in compliance with KRS 216B.130.

2. If this is an amendment to an existing administrative regulation, provide a brief summary of:

- (a) How the amendment will change this existing administrative regulation: The amendment will provide for the adjustment of expenditure minimums for capital expenditures and major medical equipment.
- (b) The necessity of the amendment to this administrative regulation: KRS 216B.130 requires the cabinet to promulgate an administrative regulation to annually adjust expenditure minimums provided in KRS Chapter 216B.
- (c) How the amendment conforms to the content of the authorizing statutes: The amendment carries out the requirement of KRS 216B.130 which requires that capital minimums be adjusted.
- (d) How the amendment will assist in the effective administration of the statutes: This amendment will provide the most current capital and major medical equipment expenditure amounts use in processing Certificate of Need Applications.

3. List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation will affect health care providers governed by the Certificate of Need law, citizens who use health care in Kentucky, health planners in the Certificate

of Need Program, and local communities that plan for, use, or develop community health care facilities. Approximately 160 applications for Certificate of Need are received annually.

4. Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:
  - (a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: The modifications will impact any Certificate of Need Applicant with a capital expenditure of major medical expenditure that exceeds the minimum.
  - (b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There will be no cost to entities to comply with this amendment.
  - (c) As a result of compliance, what benefits will accrue to the entities identified in question (3): The facilities will have access to the most current information regarding capital expenditure and major medical expenditure minimums when completing their applications for Certificate of Need.
5. Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:
  - (a) Initially: No cost
  - (b) On a continuing basis: No cost
6. What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding is necessary since there is no cost to implementing this administrative regulation.
7. Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding is necessary.
8. State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish any fees and does not increase any fees either directly or indirectly.
9. TIERING: Is tiering applied? (Explain why or why not)  
Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to all those individuals or entities regulated by it.
